Chapter 1

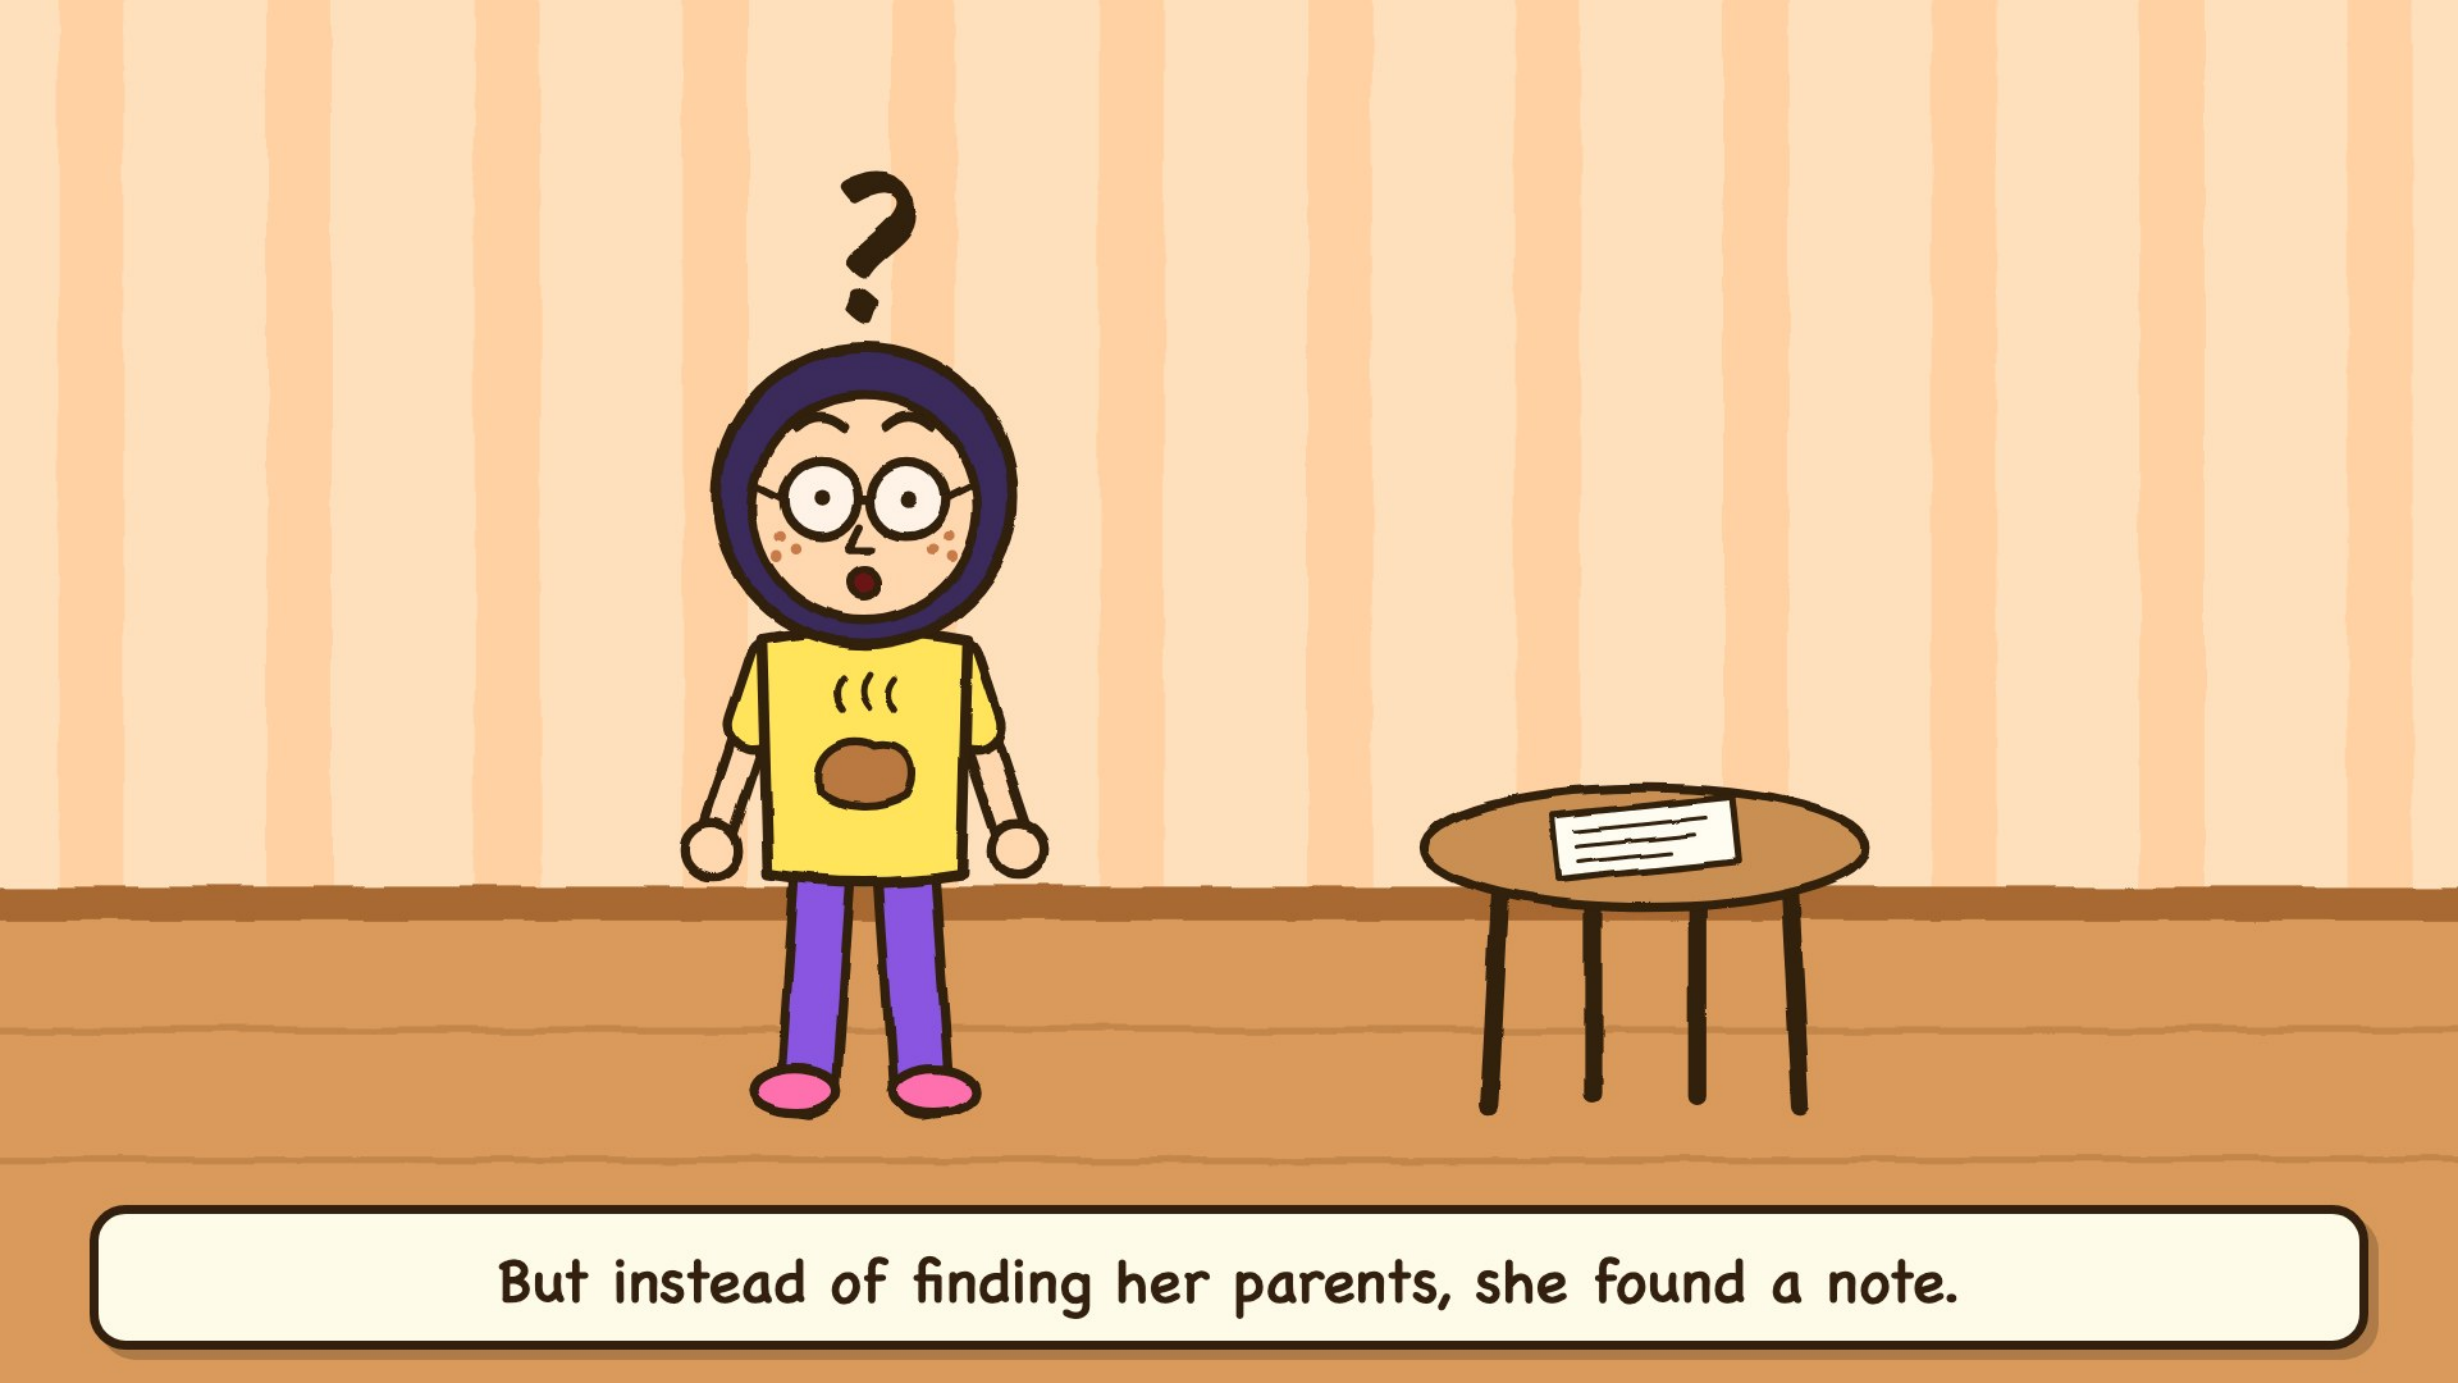

Cheeky Chini Strikes

When Chini was a kid, she often got bullied because of her appearance.

So she told her mum, because she held it in for too long.

But instead of finding her parents, she found a note.

Dear Chini,

Go live your own life, brokie. You suck.

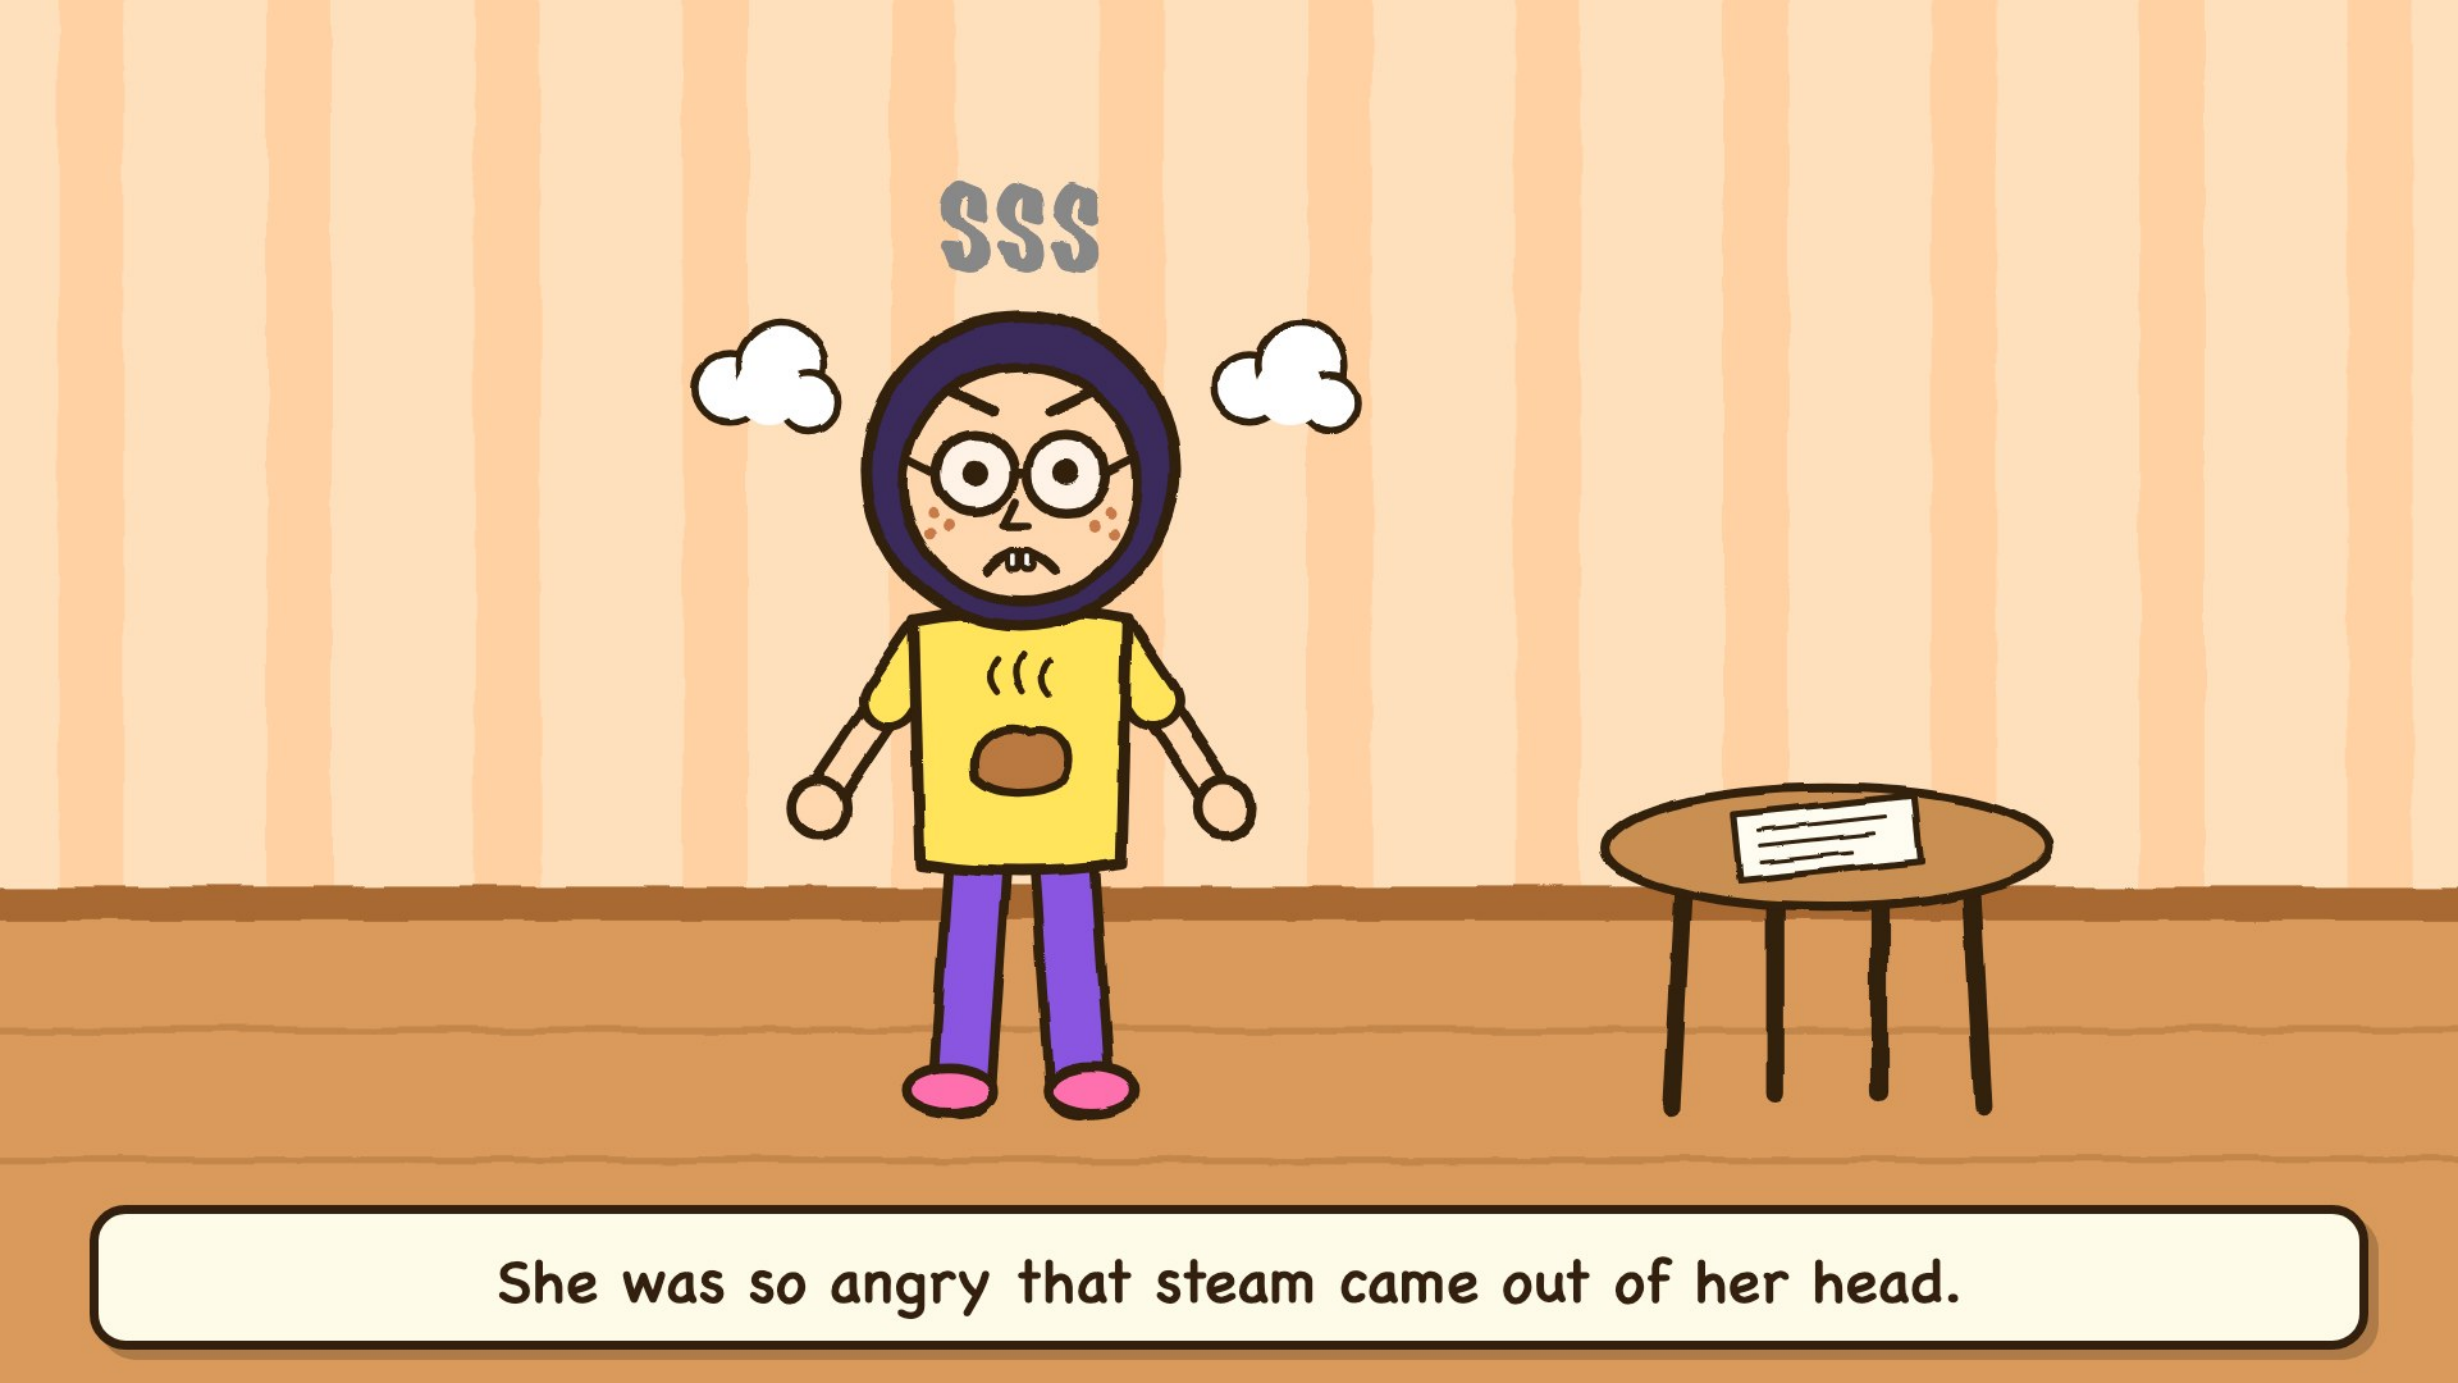

You keep wasting our money on OurBad™.

We earn 5¢ a day!

We could literally go to

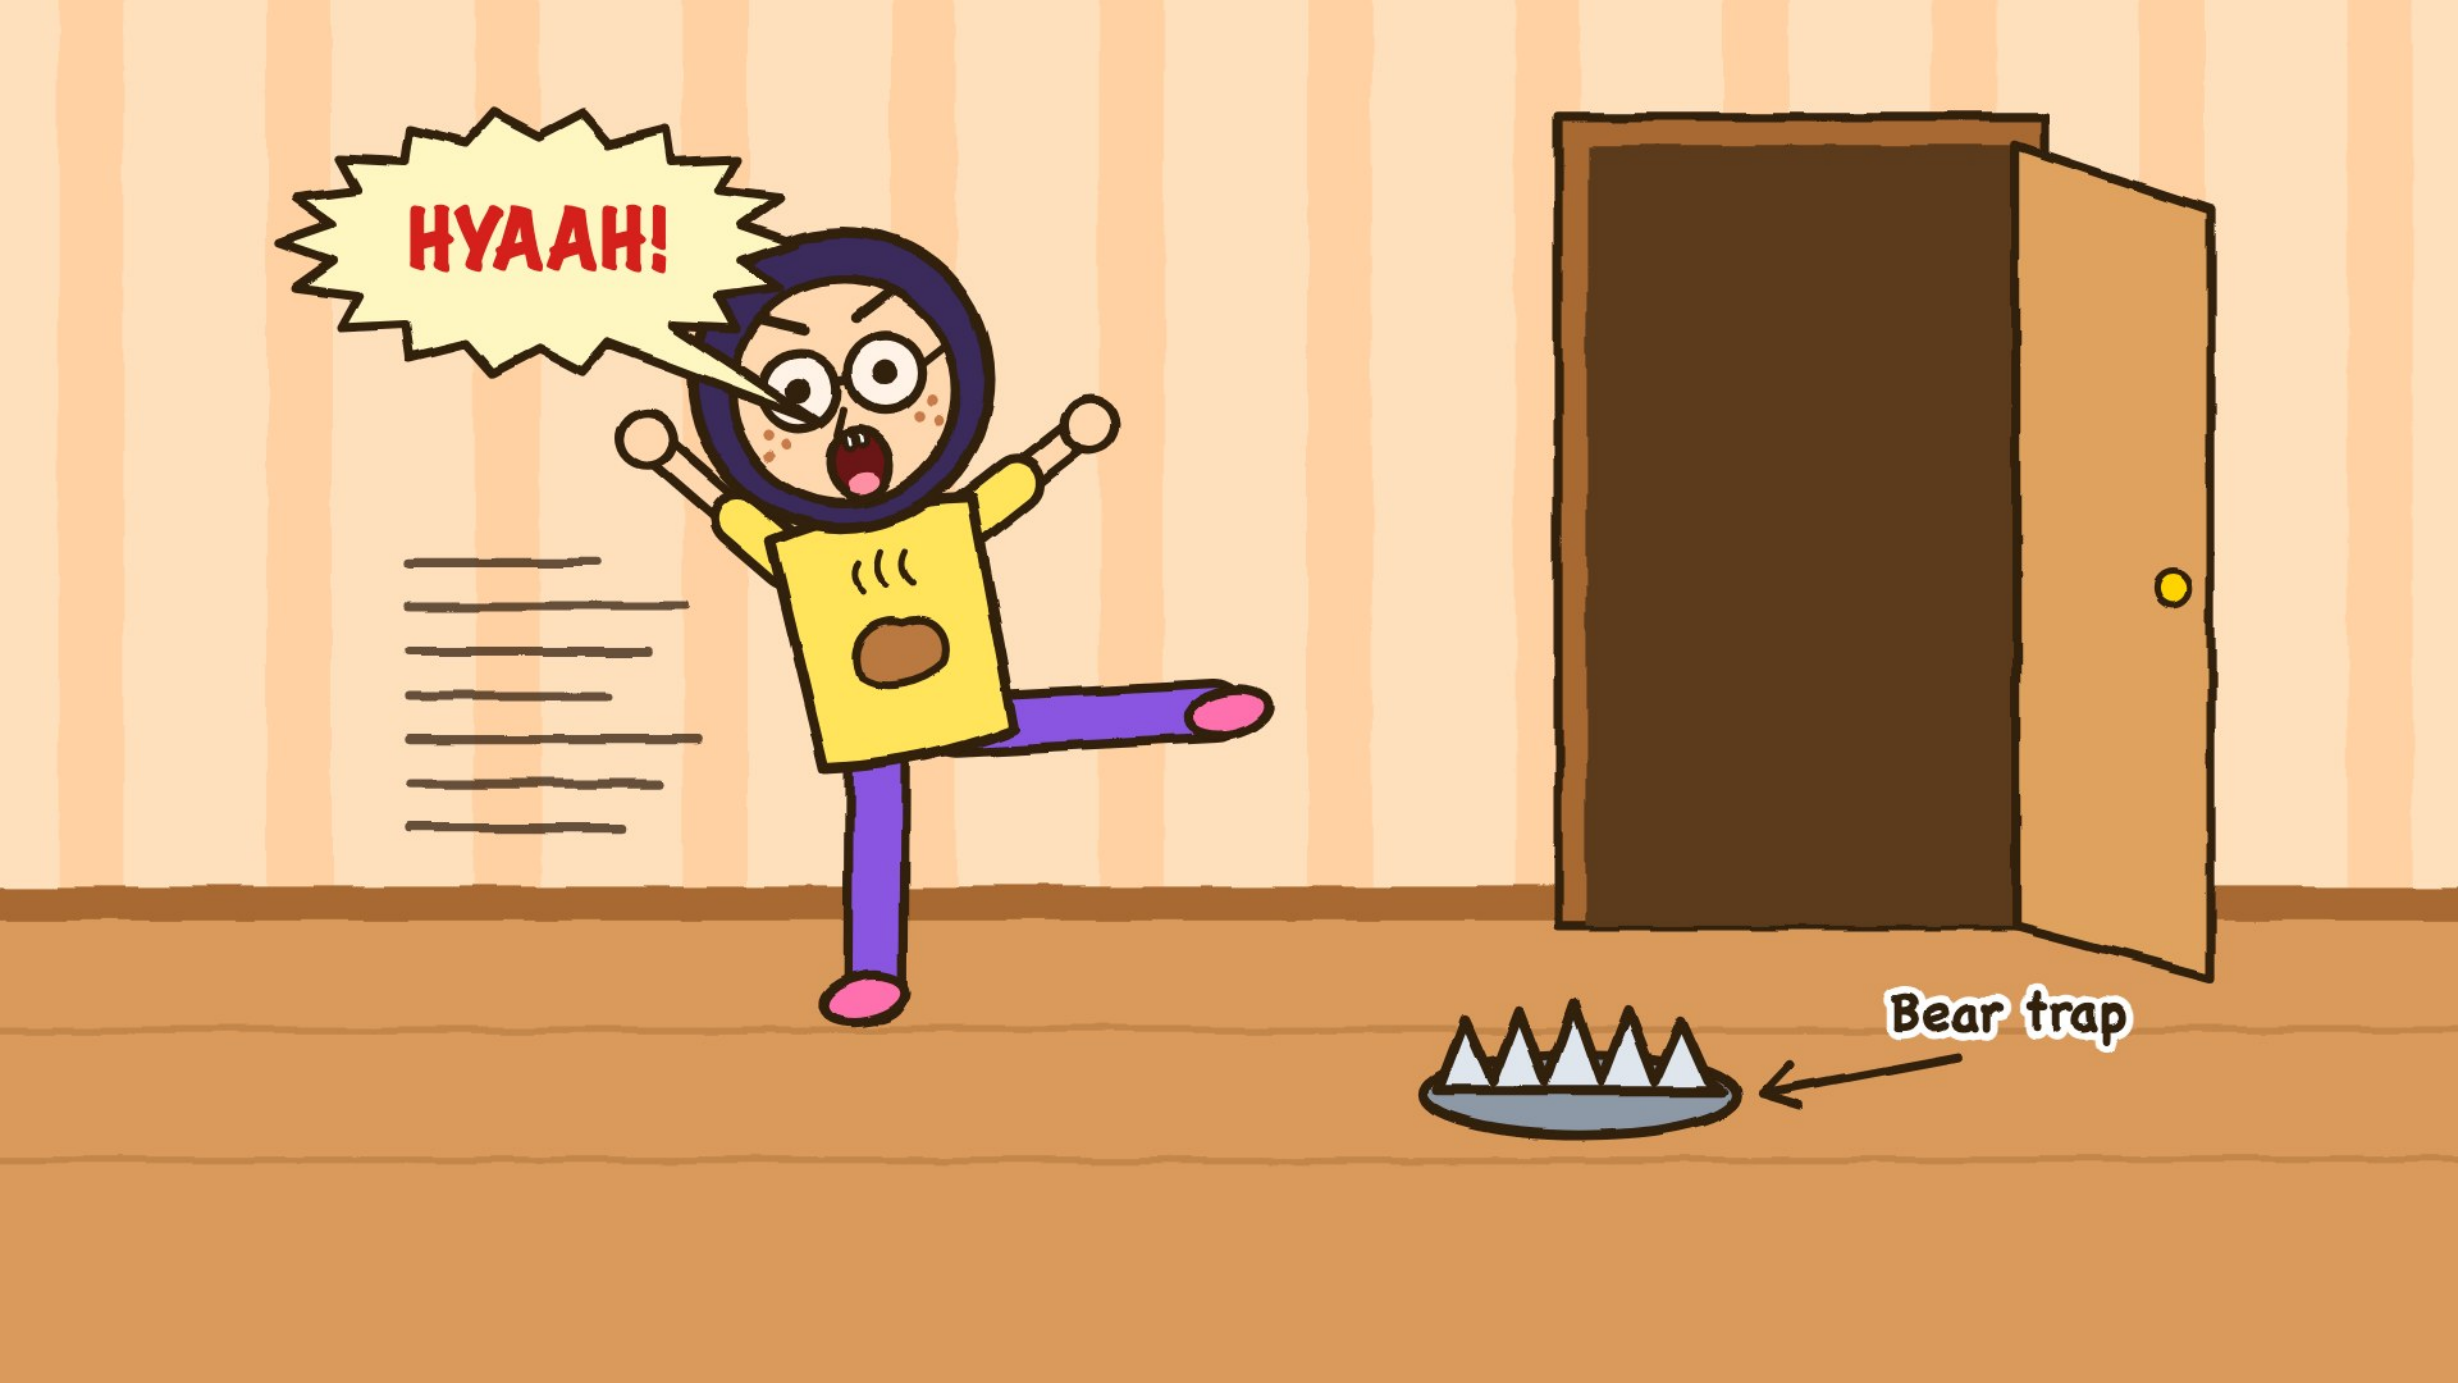

OurBad™ Primary School™. Bye!

Sincerely, your parents

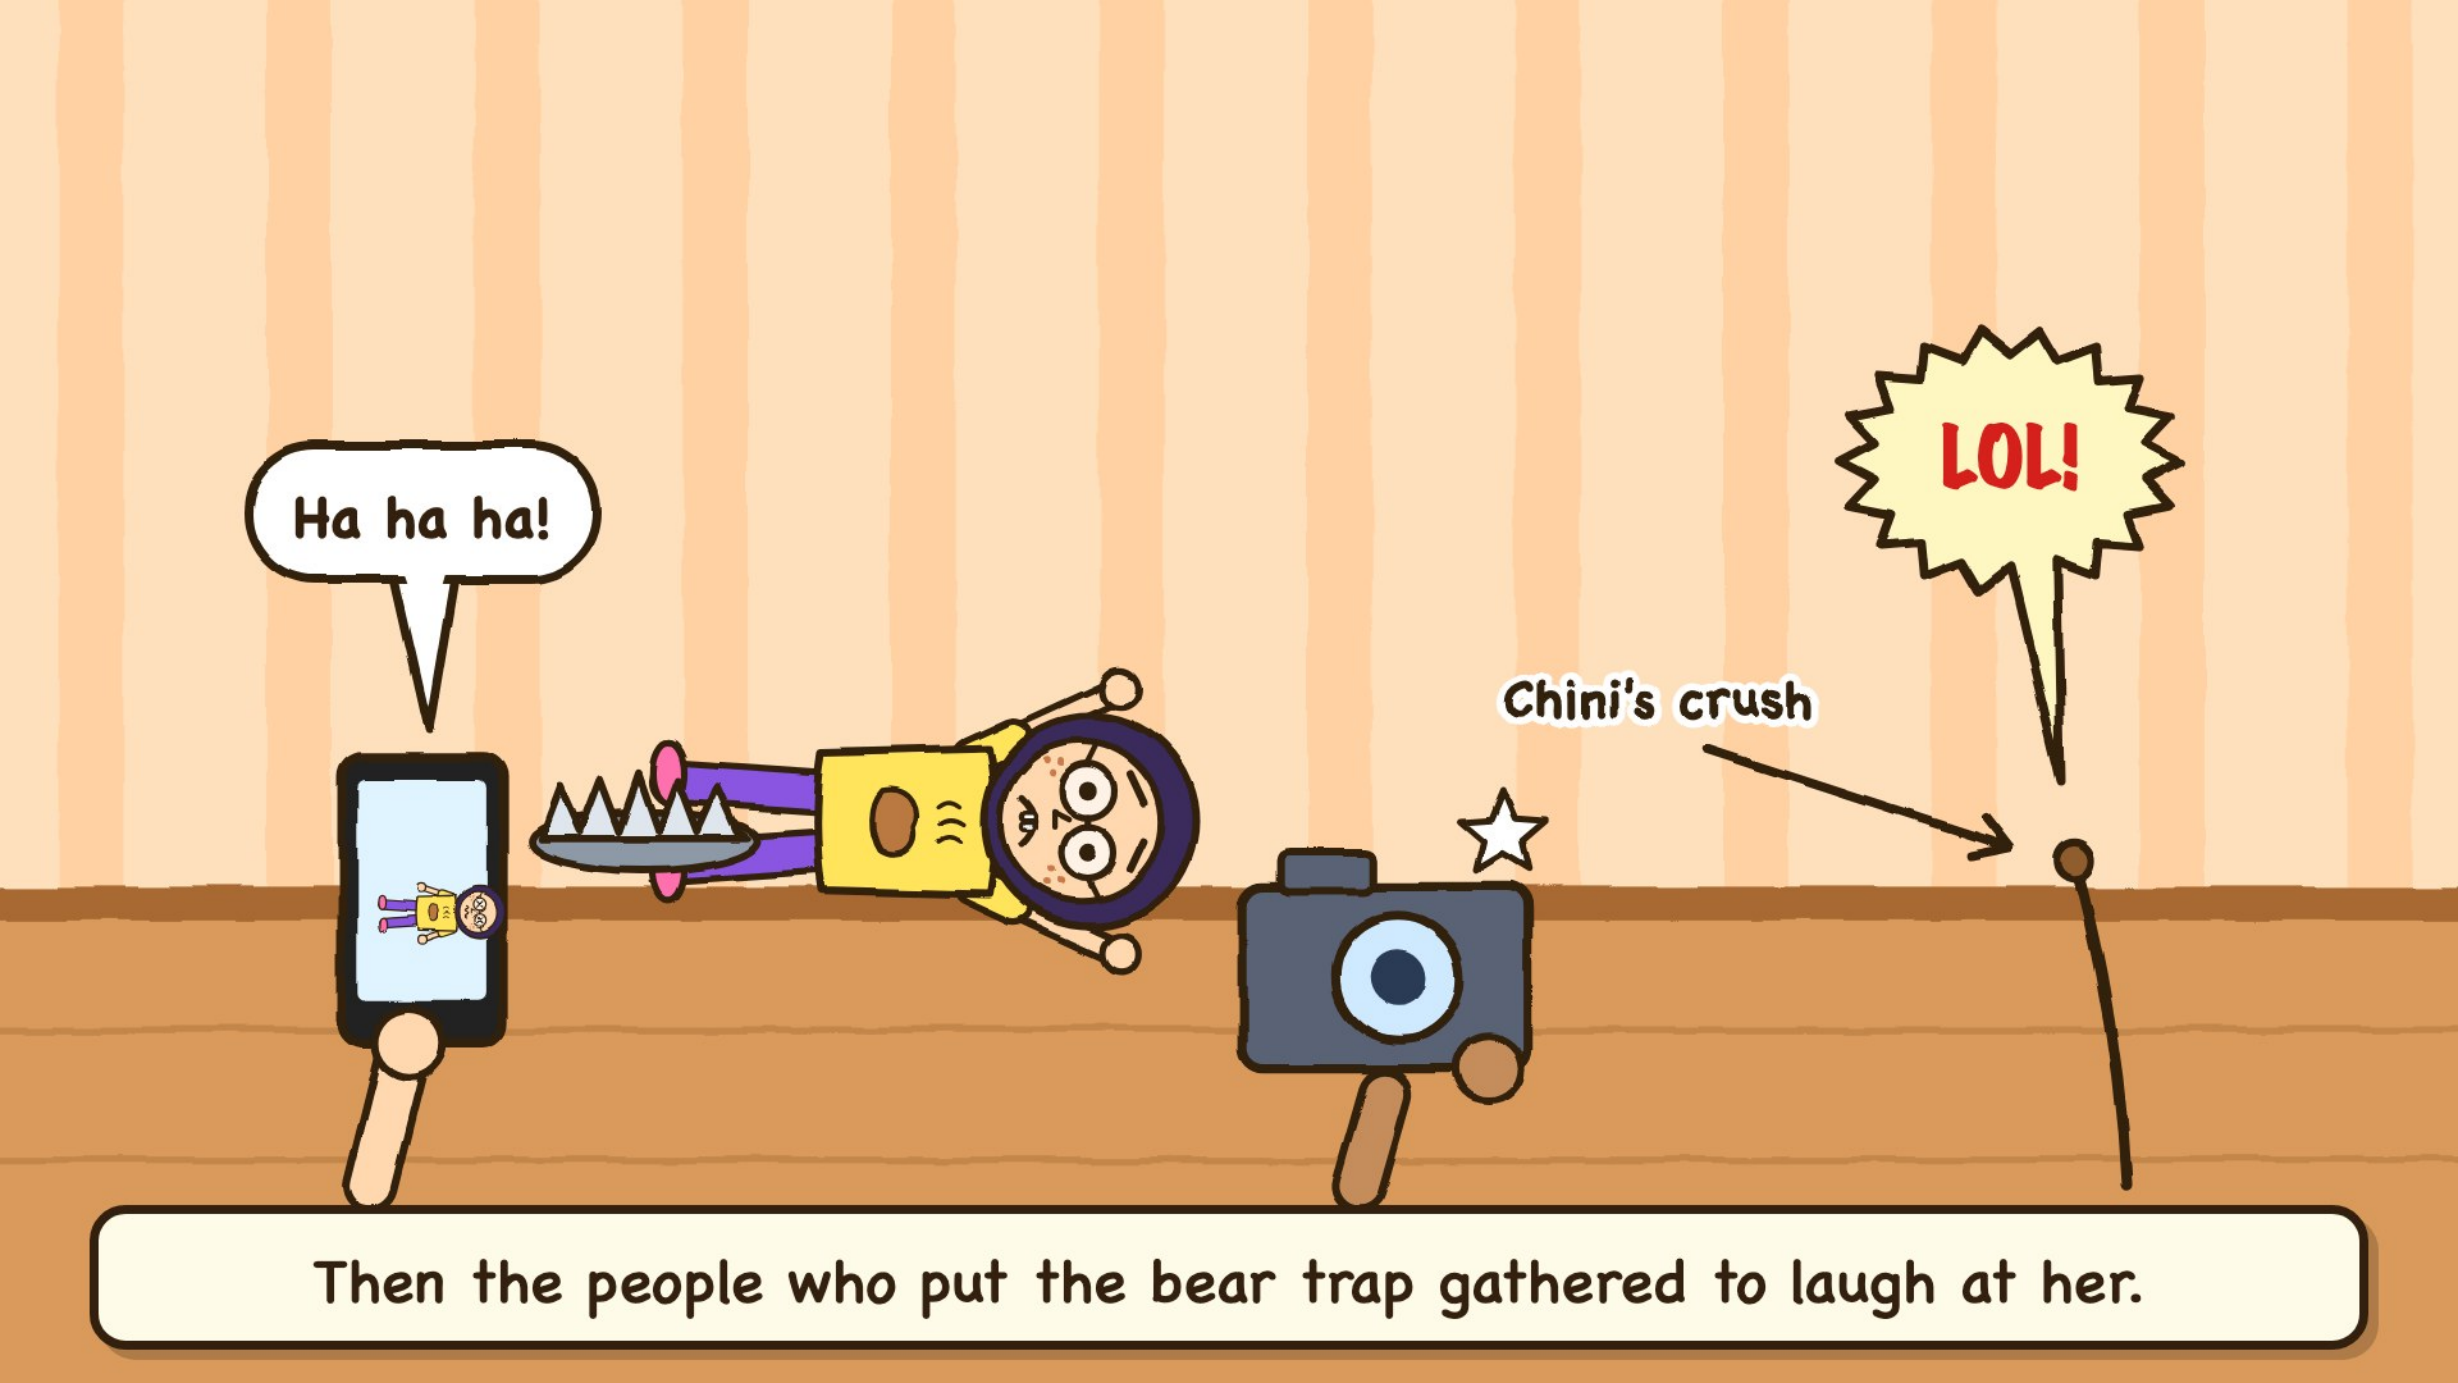

She was so angry that steam came out of her head.

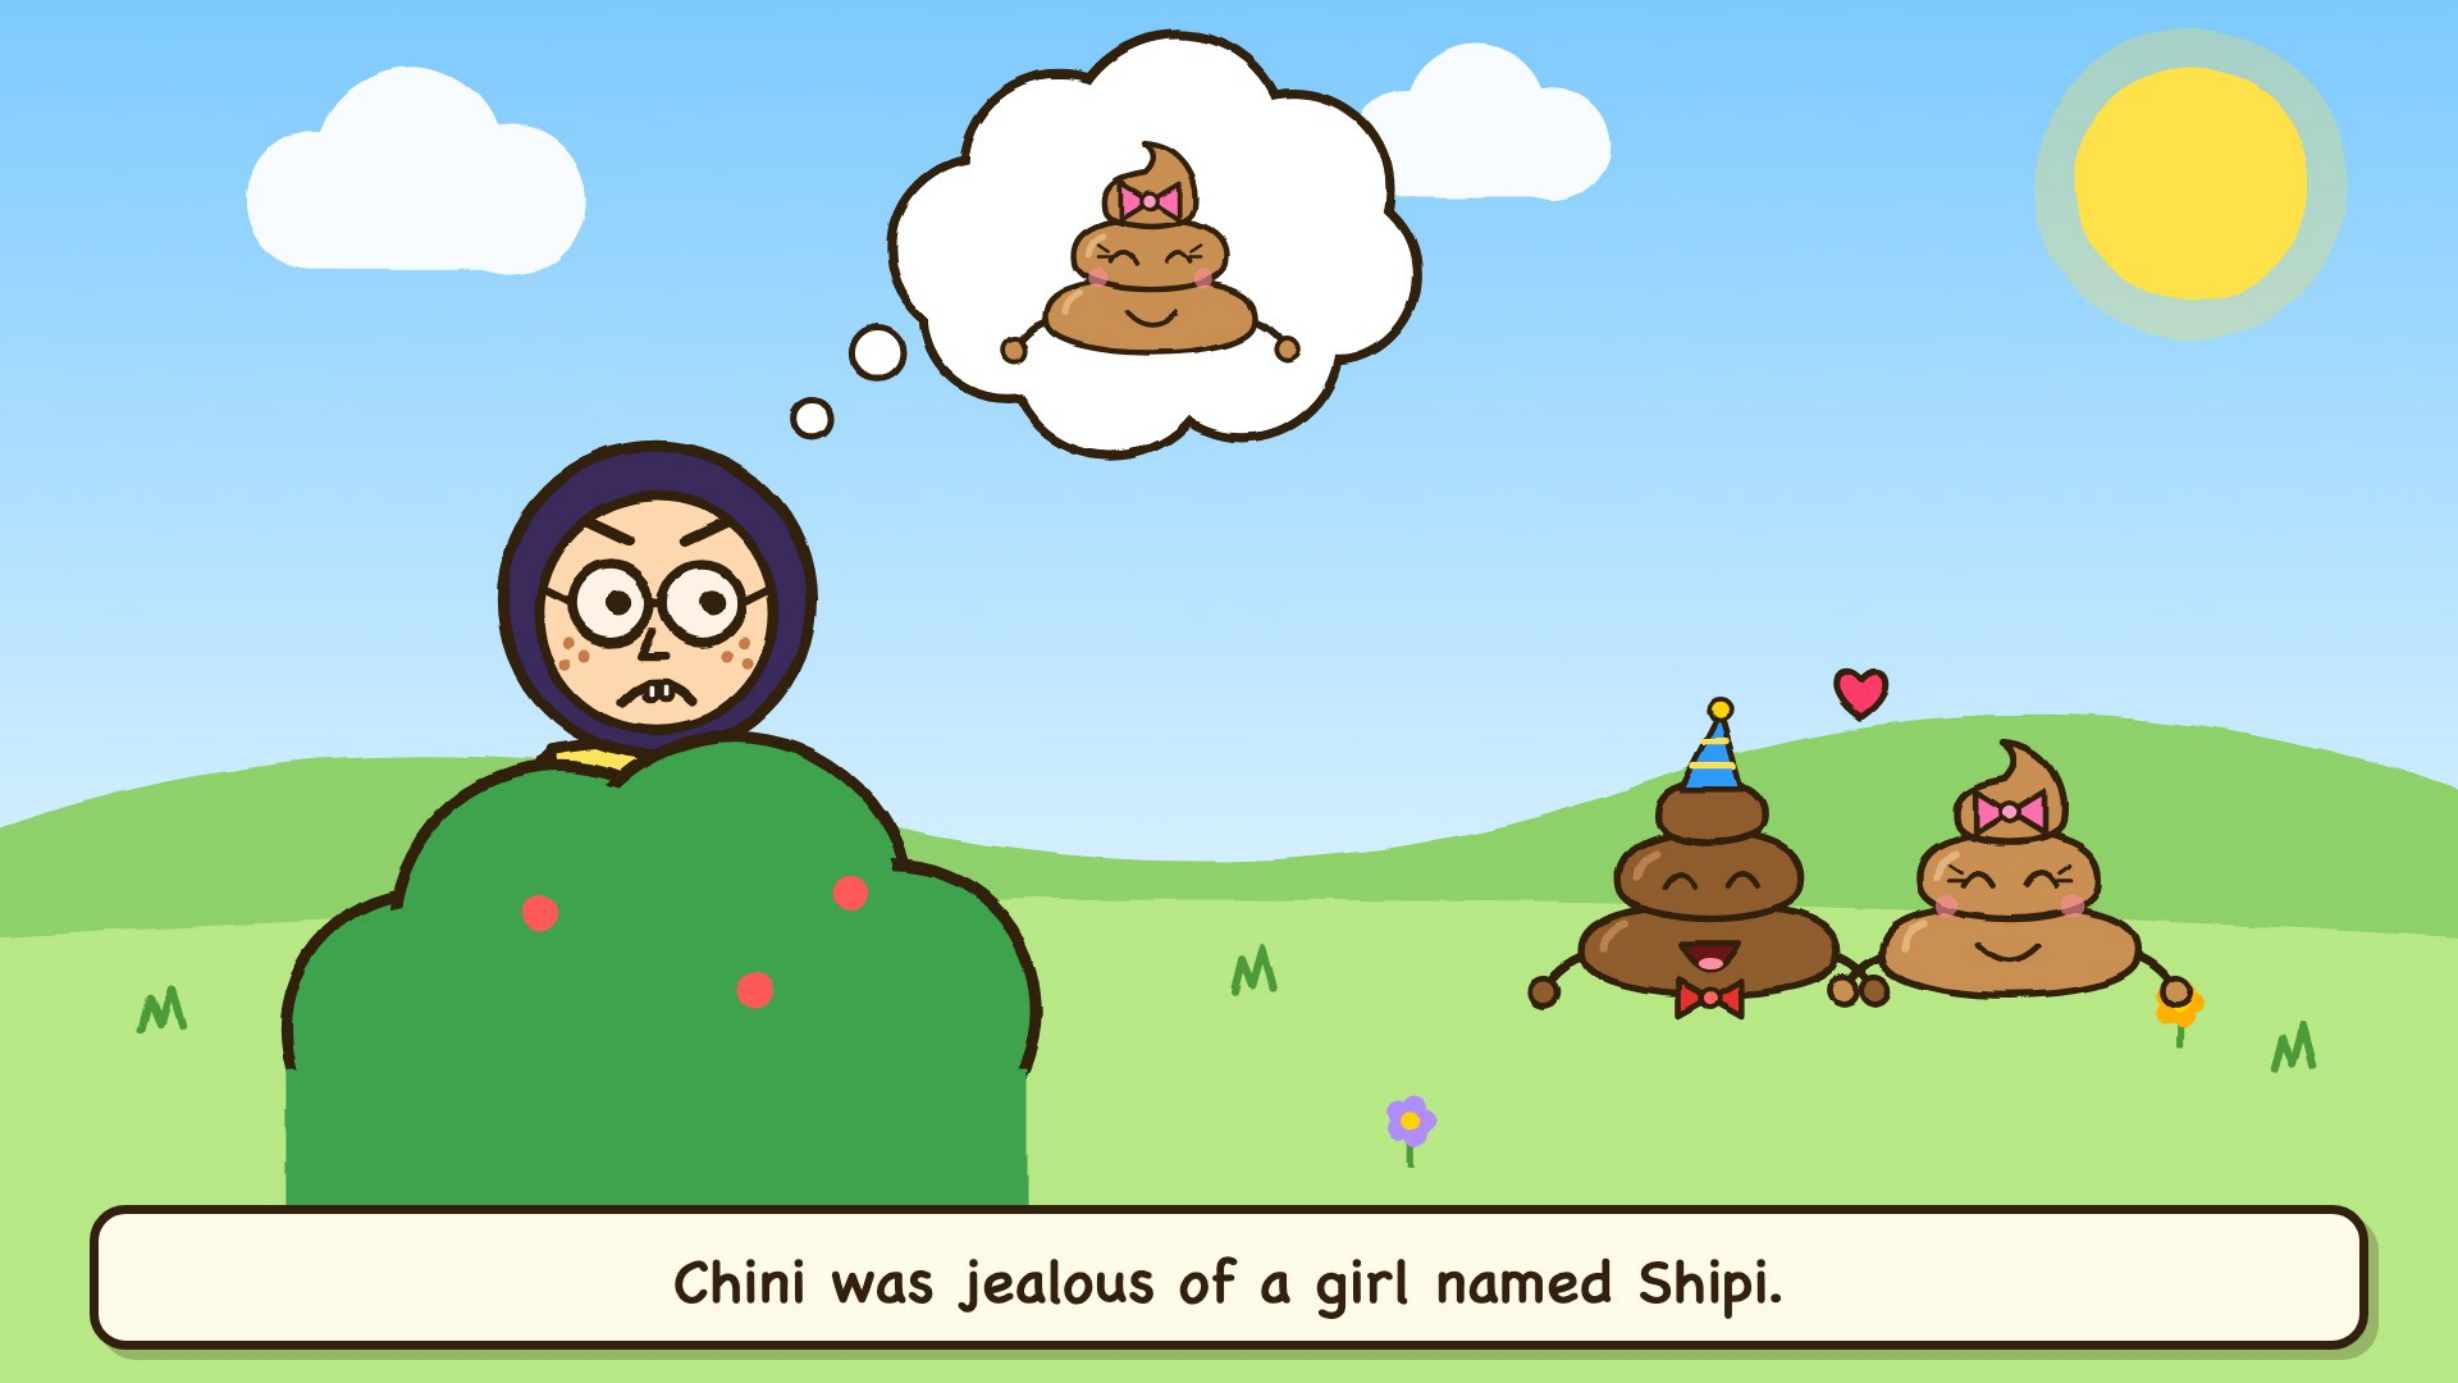

She was ready to strike!

HYAAH!
Bear trap

SNAP!
Chini failed to strike.

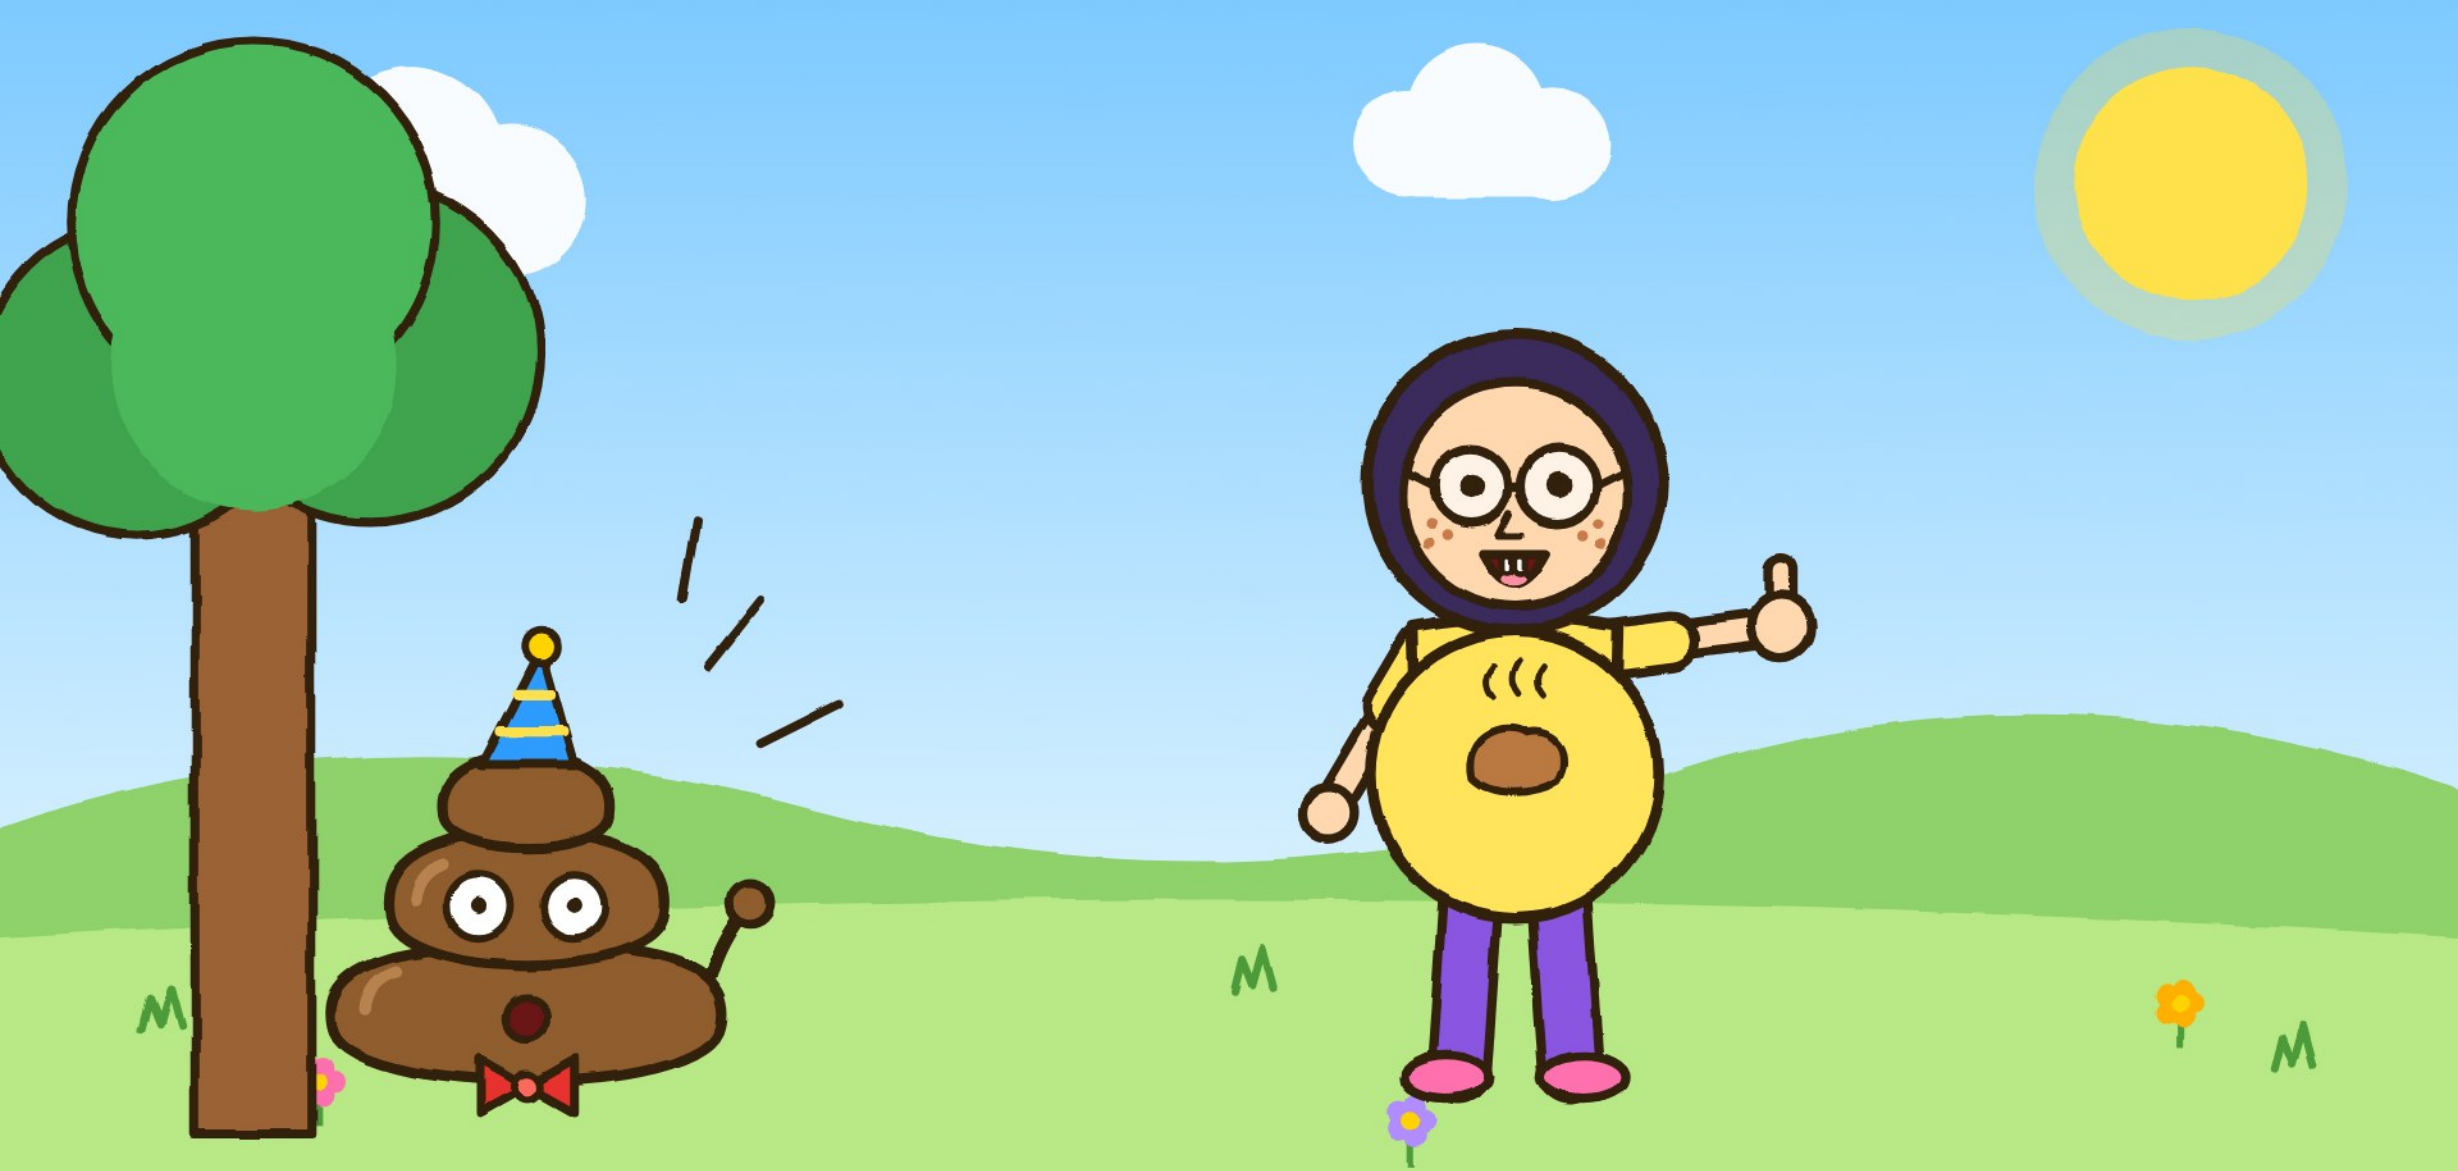

Then the people who put the bear trap gathered to laugh at her.

Chini was jealous of a girl named Shipi.

Chini fumed inwardly.

GULP!
She ate Shipi.

Peepee watched in horror as Chini swallowed Shipi in one big gulp.

I can't let Chini eat Shipi!
REVENGE
YOU'LL PAY, CHINI!
He fumed inwardly.

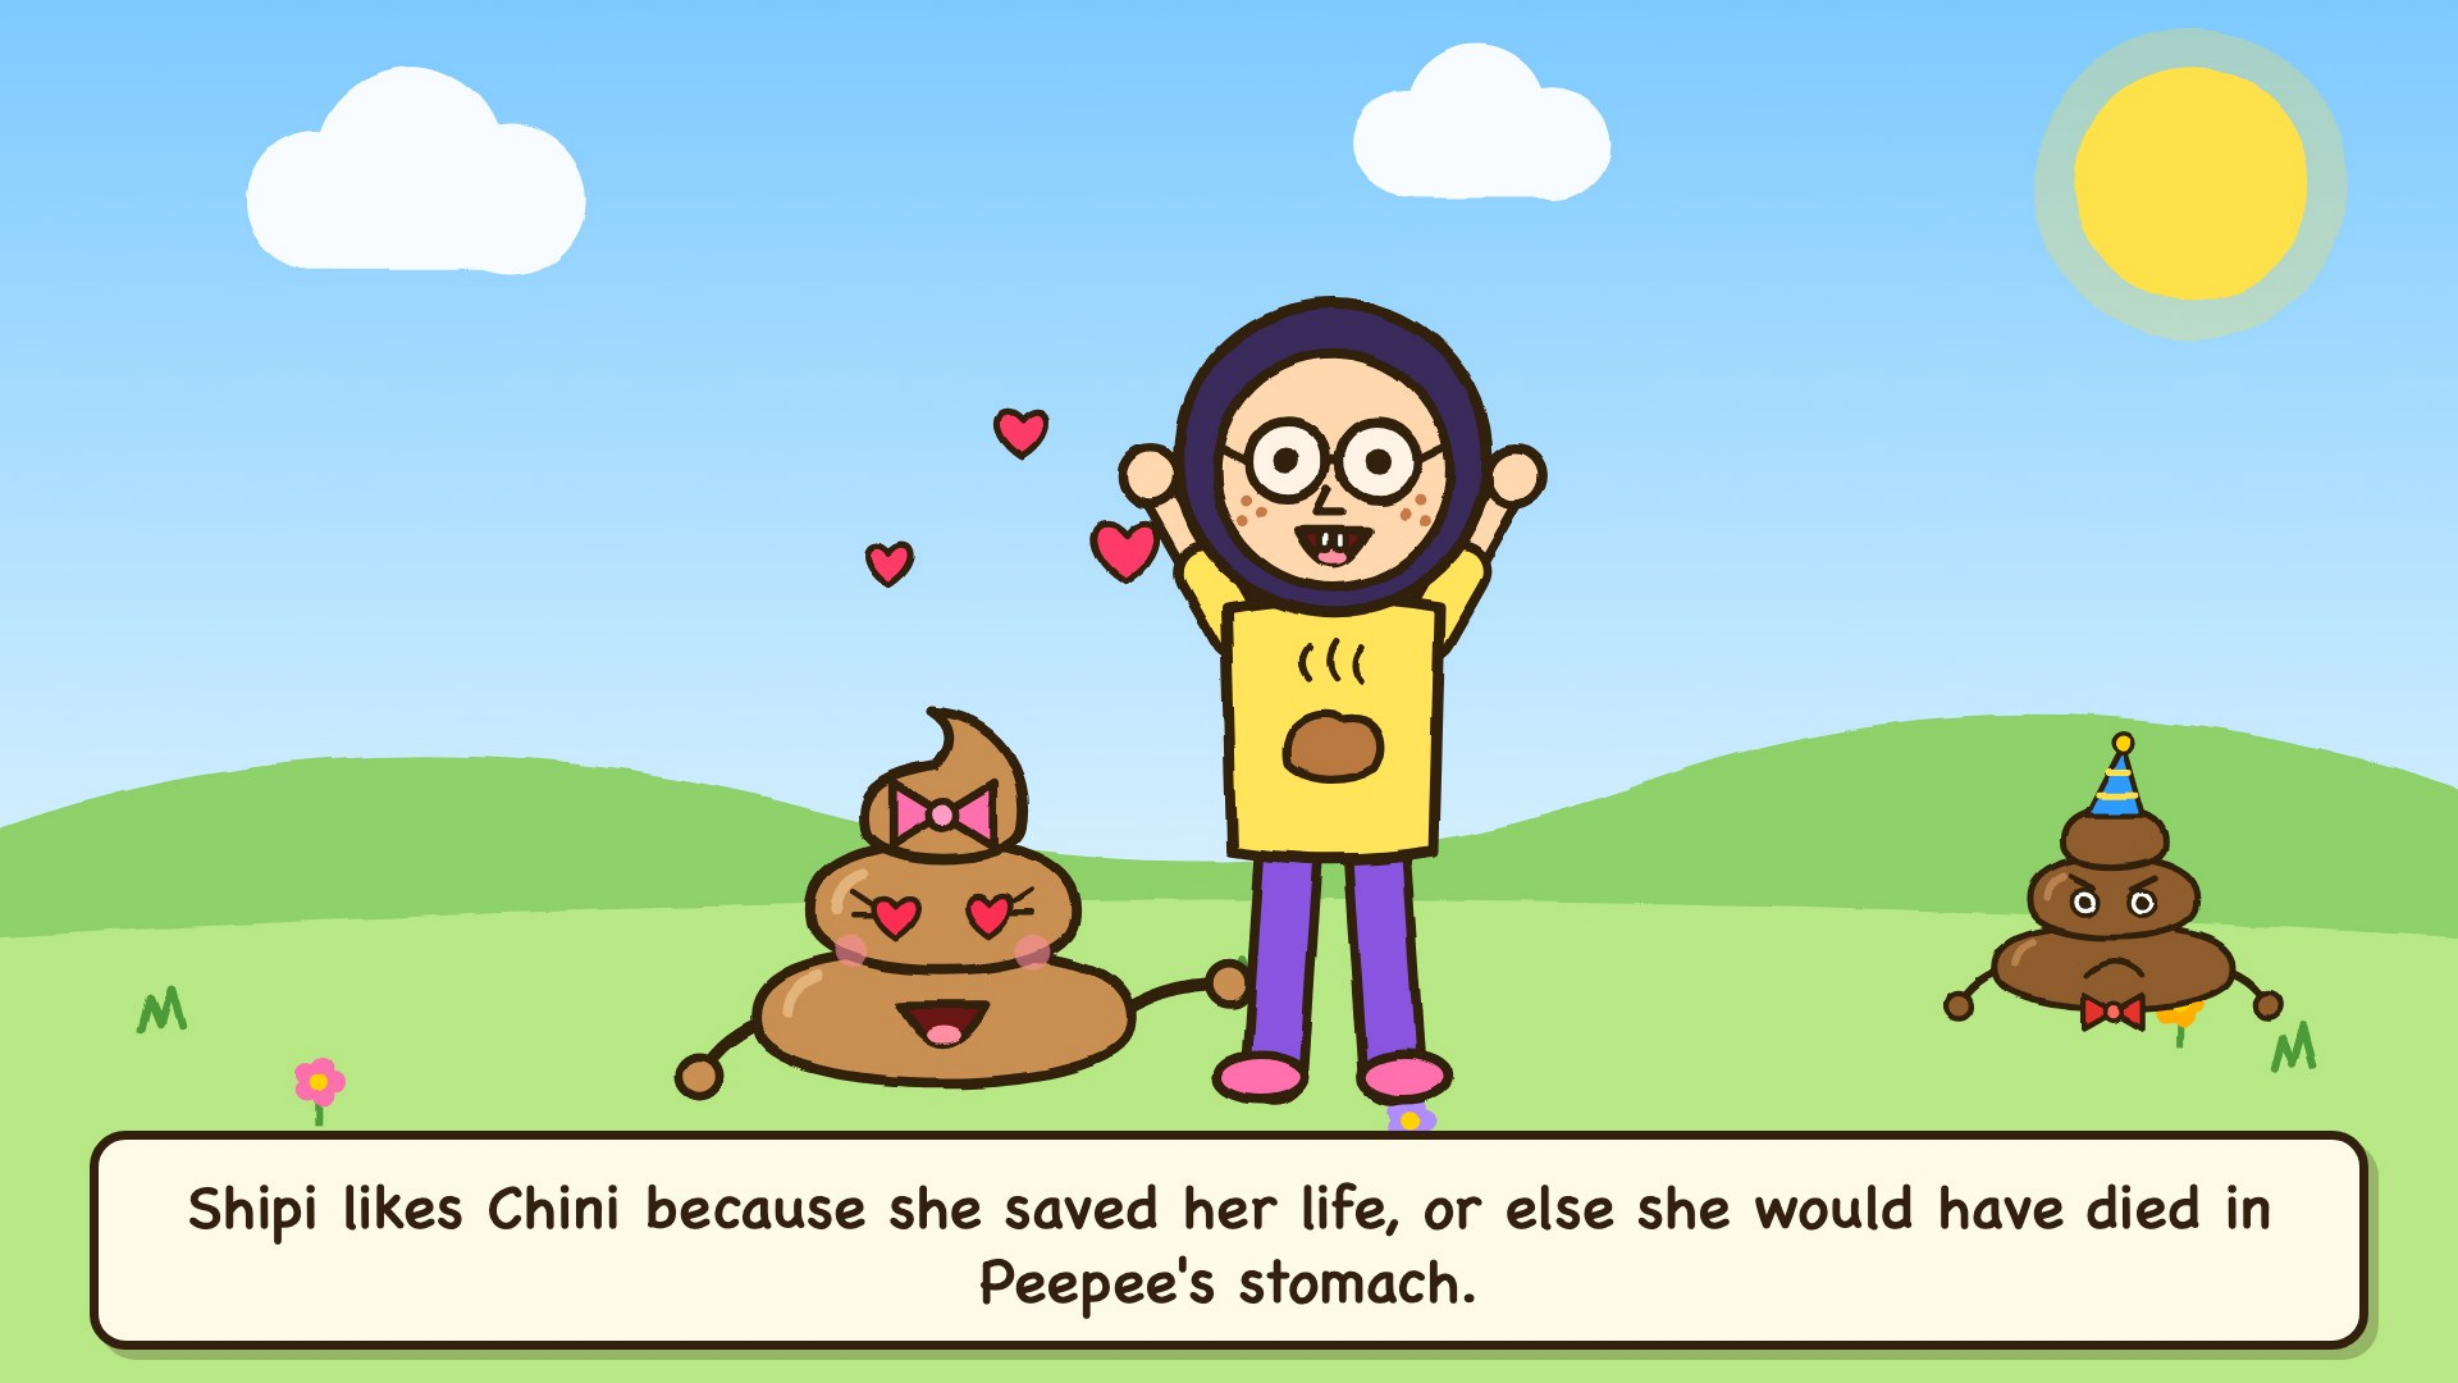

CHOMP!

He ate Chini.

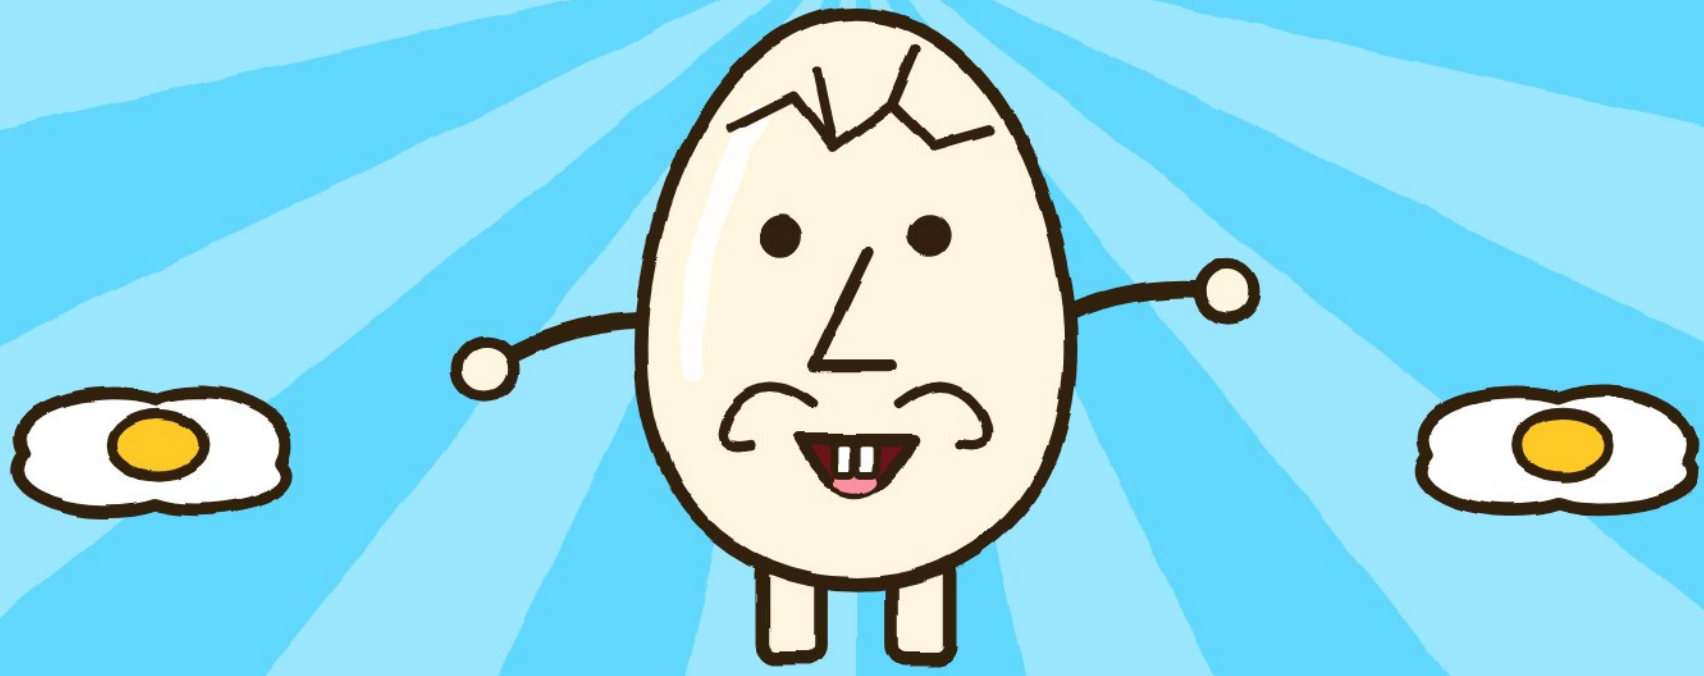

But then...

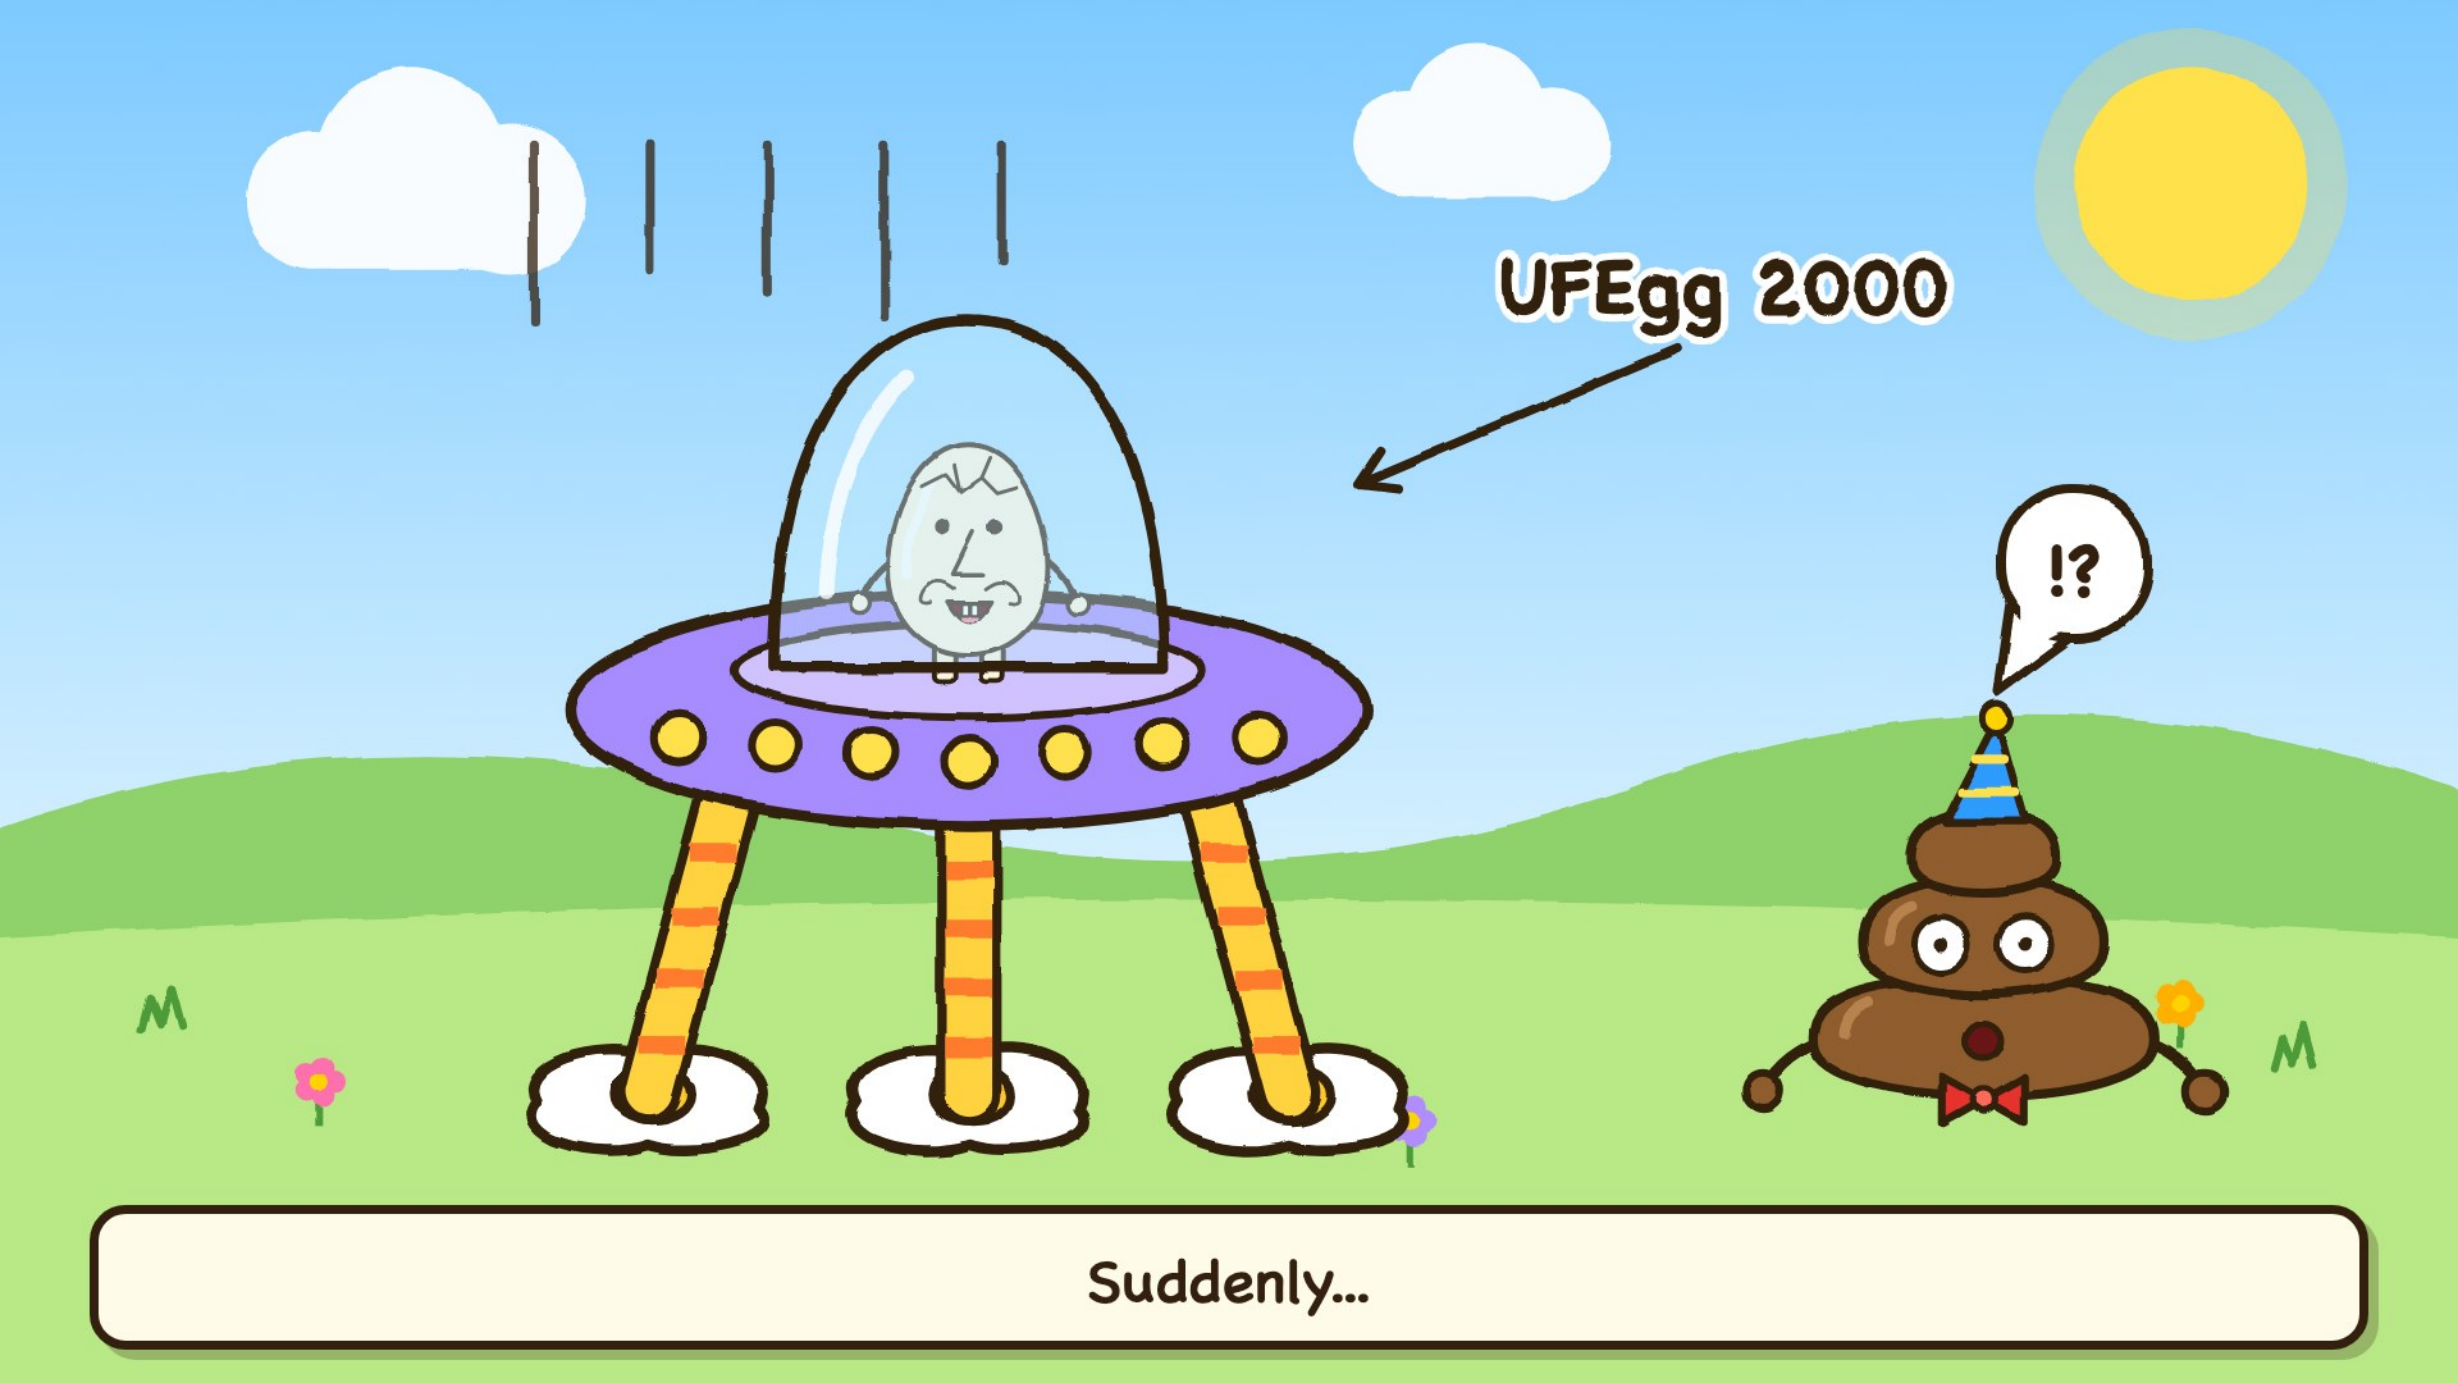

Shipi likes Chini because she saved her life, or else she would have died in Peepee's stomach.

Babies
He was so angry!!!

Wait, Shipi's here! ♥♥
I ♥ EGG QIAN

Peepee was surprised, because Eggqian had a second layer of shirt.

Then Chini came back.

His shout blew Chini's hairband right off!

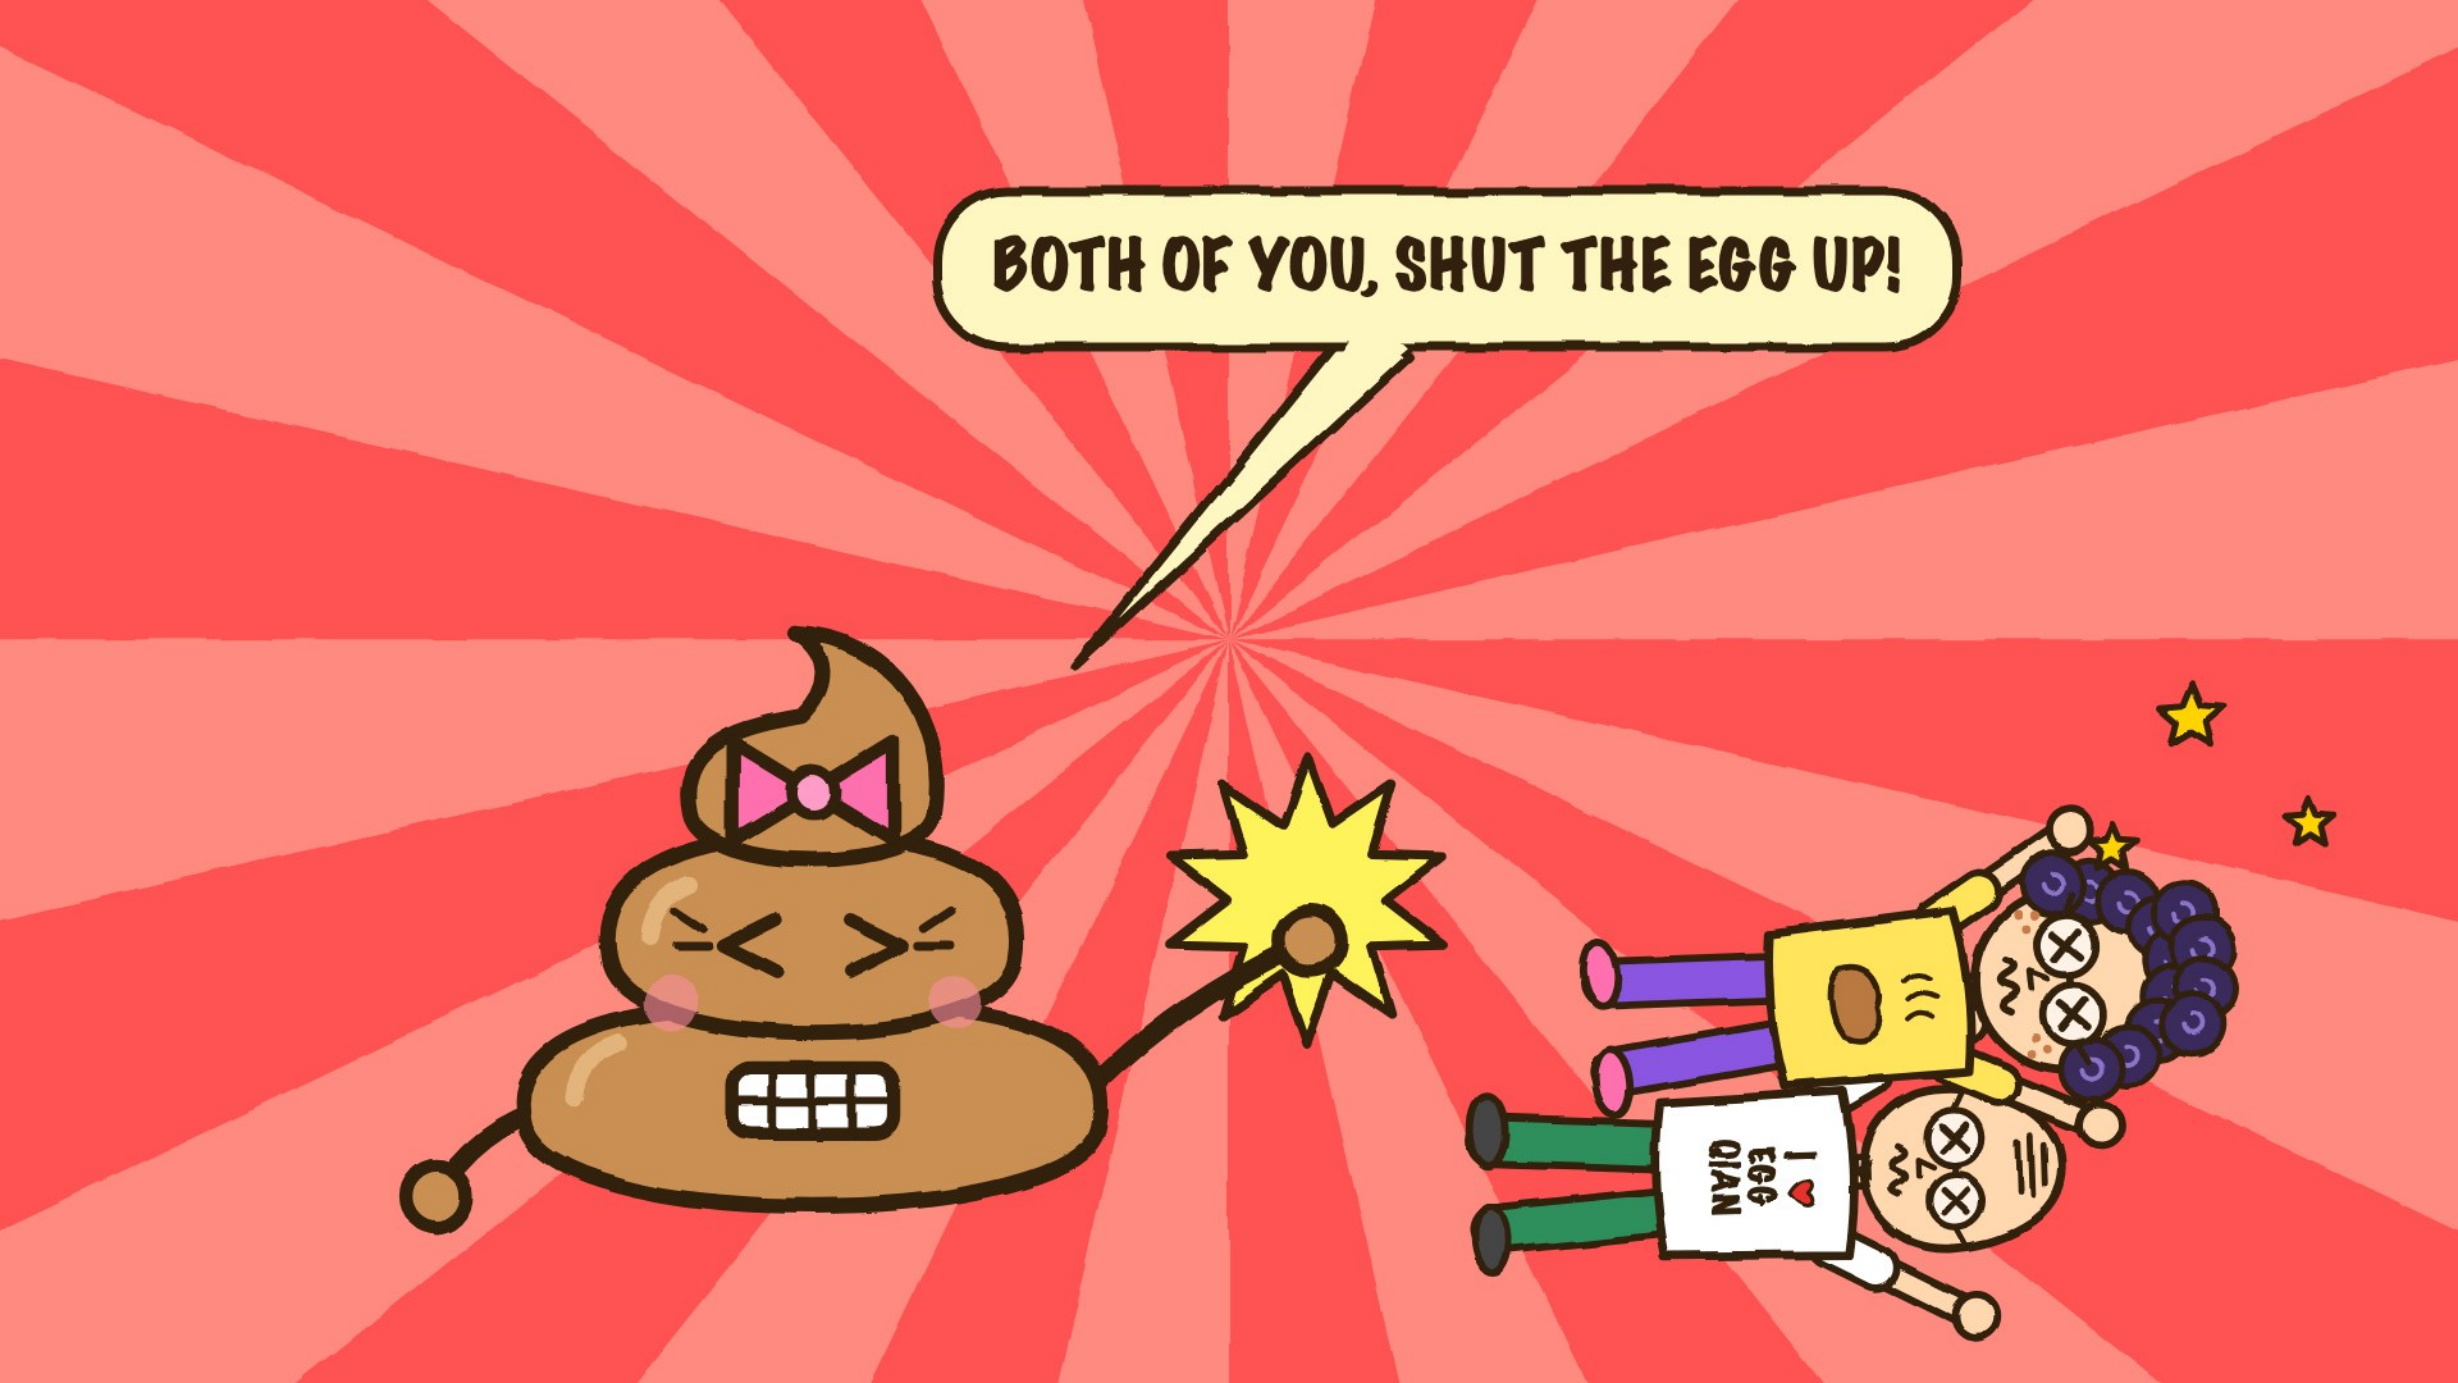

Shipi, look at my muscles!
Don't think about flirting with her.

I ♥ EGG QIAN

I ♥ EGG QIAN
Peepee and Shipi held hands. Chini, hairband off again, and Eggqian could not bear to look.

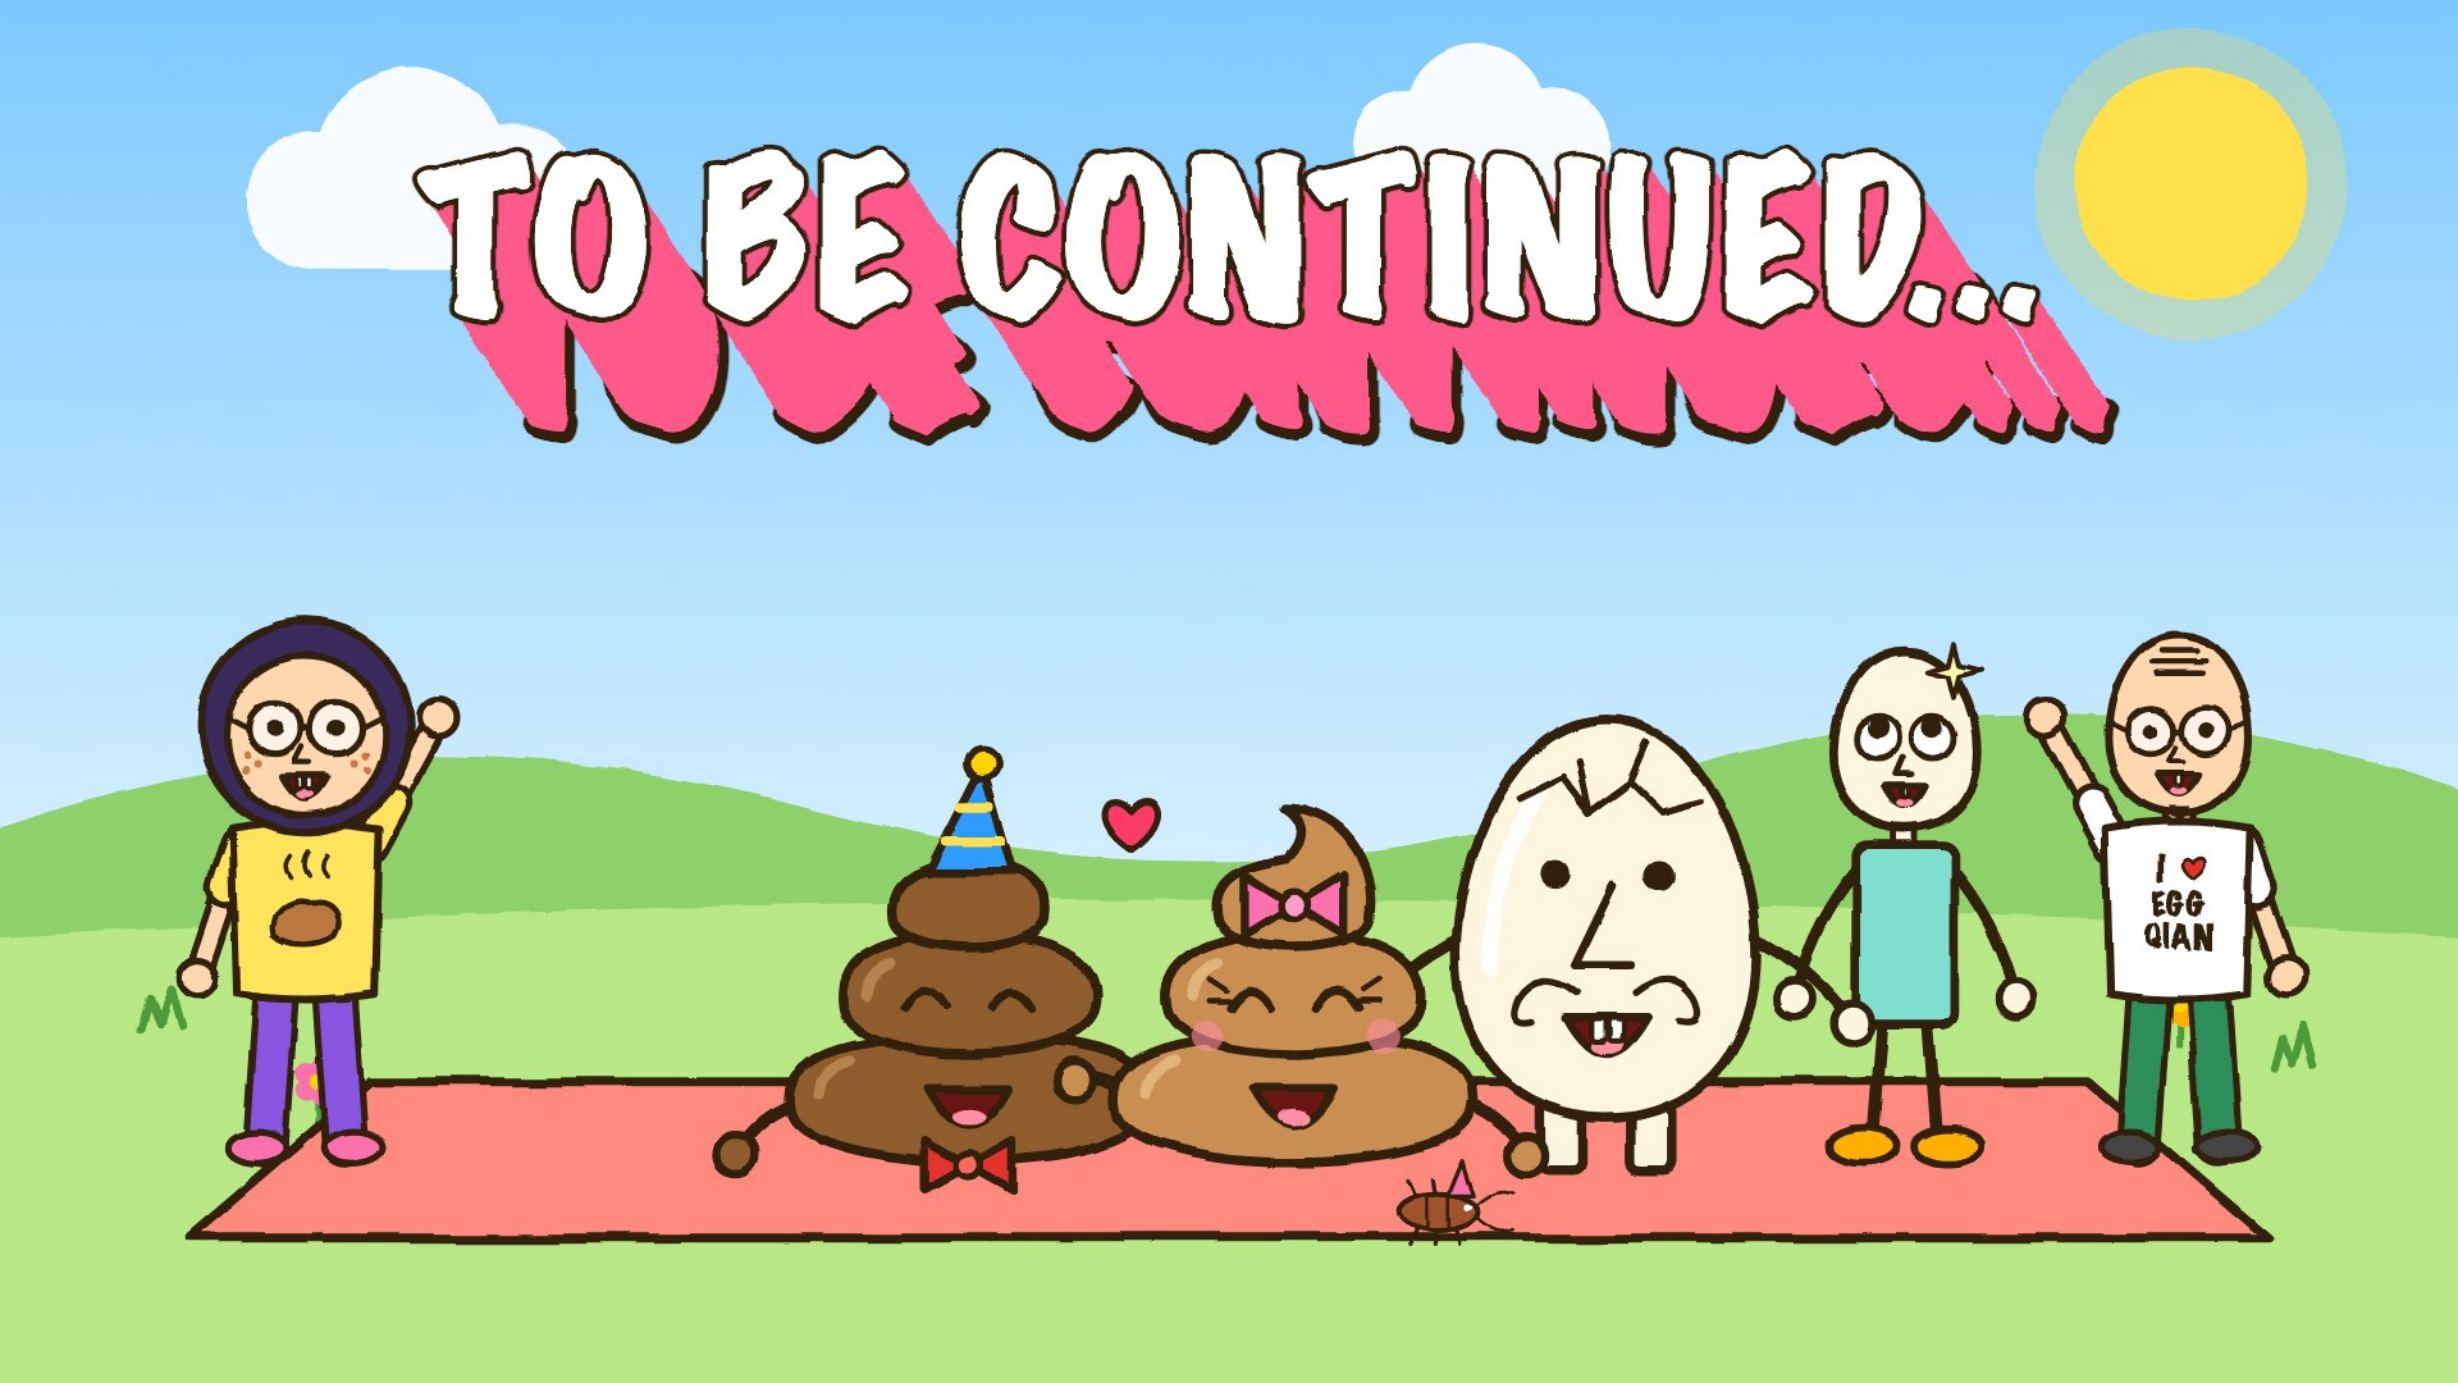

They cried and cried. They cried so loudly that a cockroach came out to see.
